

THE DELANCEY

NEW YORK CITY

The Delancey is a three-level club that is home to a downstairs music venue, main level bar and an all-weather rooftop garden peering out onto the Manhattan side of the Williamsburg Bridge.

The 3 floors of The Delancey can either accommodate their own individual events or join together to become one big party. Upon Entering guest are greeted by a long luxurious bar illuminated by a candlelit ceiling. Surrounding the bar are party spaces including a chandelier lined VIP room, elegant window room, and red velvet booths which are enveloped by silky drapes. These may be reserved on a nightly basis at no charge, and the space booked for each party is based on estimated number of guest in the party. Across from the bar sits a high standing booth where resident and guest DJs spin the night away, and you can rock out to your favorite music.
