TEN11 LOUNGE & BAR

NoMad, New York City

By Maya Prestige Group

TEN11

An intimate nightlife destination in NoMad.

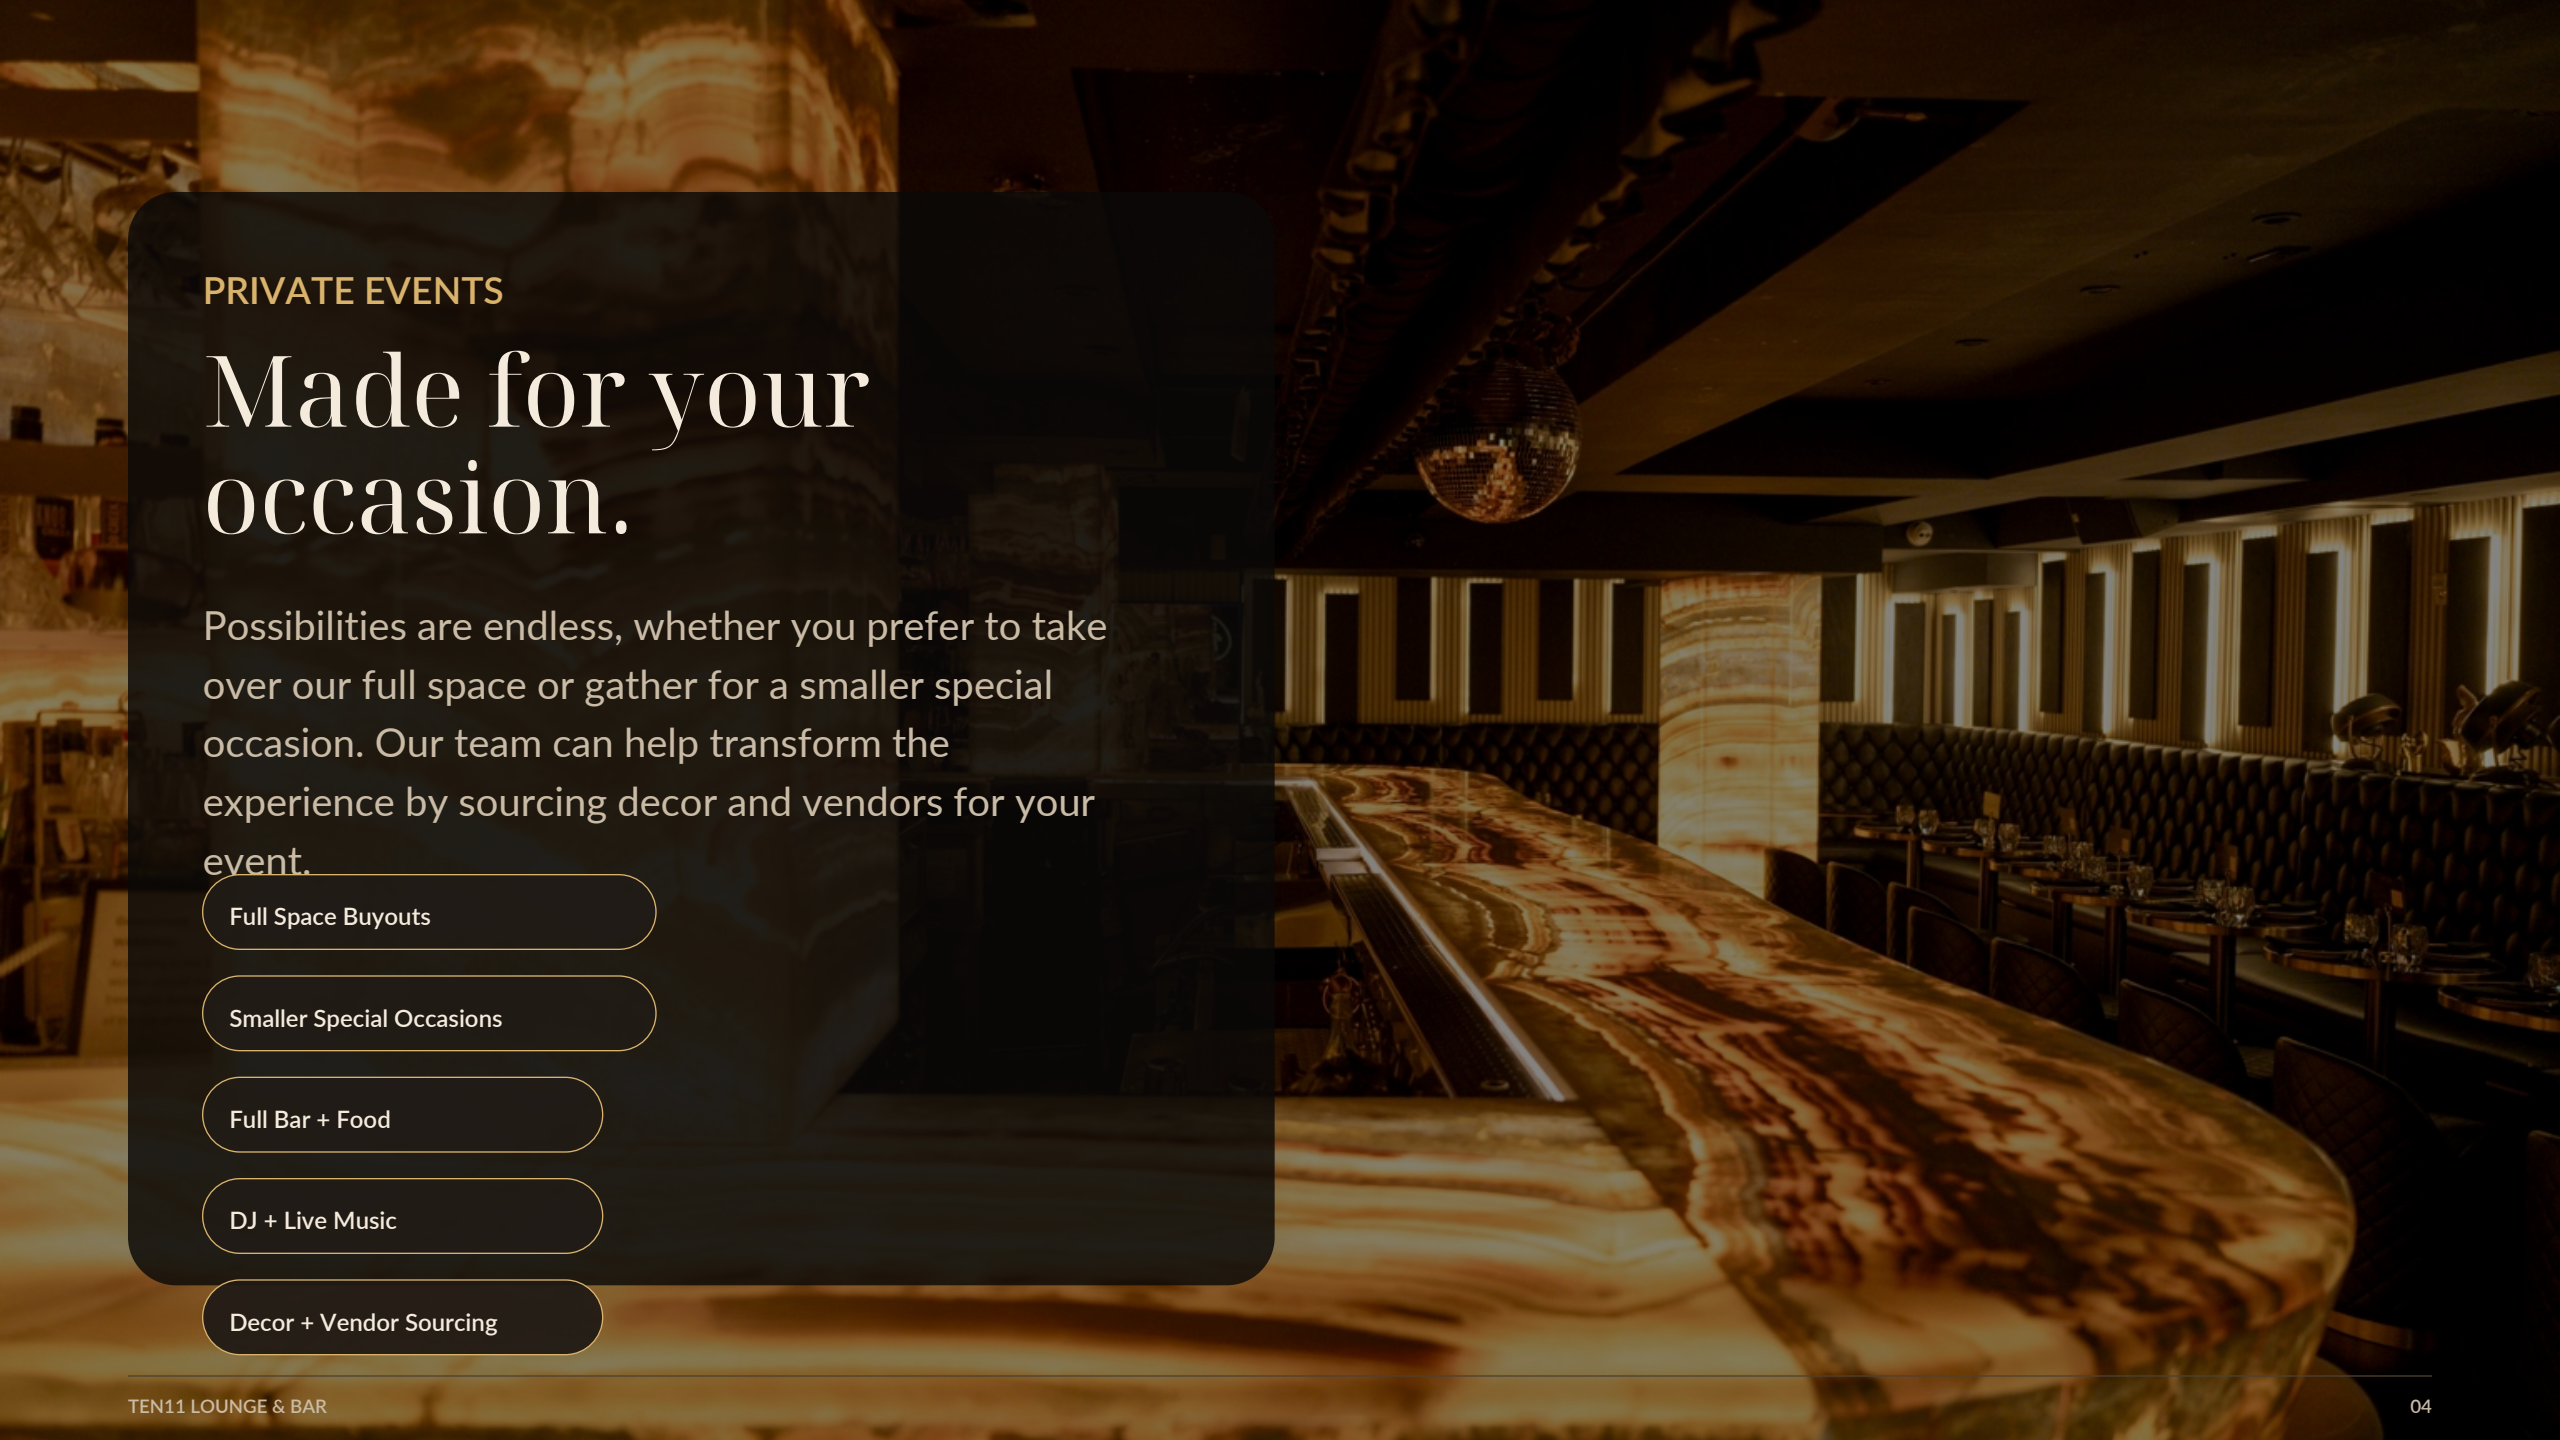

Located in Manhattan's NoMad district, Ten11 Lounge & Bar is a sophisticated nightlife destination where contemporary design, curated music, and elevated cocktail culture come together to create a refined late-night experience. Ten11 transforms the evening from dinner into a vibrant social atmosphere defined by style, energy, and polished service.

ATMOSPHERE

Warm onyx light. Black leather. A room designed to shift with the night.

The background image shows a sophisticated lounge interior. In the foreground, a long, curved bar with a polished, reflective surface is visible. Behind the bar, there's a dark, tufted booth or wall. To the right, several tables are set up with chairs, ready for guests. A large, round disco ball hangs from the ceiling, reflecting light. The overall atmosphere is warm and elegant, with a color palette dominated by gold, brown, and dark tones.
